BRIEF ABSTRACT OF LETTER.

Submits Hassan Dy Comms' letter recommending a further grant of Rs 1085 for the working expenses of the late estate now under Govt management.

NOTES AND ORDERS.

The first allotment of Rs 650 for working expenses sanctioned in Dl 763-4 of 13-4-08 was only for the quarter ending 30th Sept 08. Now a further sum of Rs 1085 is asked for carrying the work upto

up to the end of the current official year. The ~~estimate~~ for working expenses now asked for as well as the one previously sanctioned were based on the Railway tons calculations. The details of estimate of expenditure is very elaborate with ample margin allowed for extraordinary expenses in respect of each item. Still at the end there is allotted under Sundries another 50 Rs. under supervision at 40 Rs a month - 400 Rs for 10 months is asked for - but it is not stated who the person is that supervises. The out turn of the crop both coffee & cardamom is estimated at 2200 lbs & deducting 660 lbs for assessment Rs 2040 is computed leaving 305 Rs. net out turn - to be credited towards the Govt loan - whether this result to be effected by careful Govt management is worth while carrying on from year to year

As the Estate is under Govt management, the funds necessary for working expenses have to be advanced. Whether the demand on account of such expenses is favourable or extravagant is not a point on which we can form any opinion here. The Inspector has approved an Estimate & that has been accepted by the Dy Rev Commr. The amt asked for has therefore to be given. But the return will be poor and even if the expected crop is gathered & the price anticipated realised we may only get back the advance.

Please put up a draft Sanctioning

OFFICE OF THE REV. COMR. IN MYSORE,

Bangalore, 2nd December 1908

FROM

A. RANGASWAMI IYENGAR. ESQ., B.A., B.L.,
Revenue Commissioner in Mysore.

To

The Secretary to the Government of
His Highness the Maharaja of Mysore,
General & Revenue Departments.

SIR,

I have the honor to submit herewith, for the orders of Government, a copy of letter No.42/Ag.B.dated the 28th November 1908 (together with copies of its enclosures) from the Deputy Commissioner, Hassan District, submitting an esti-mate received from Mr.Pilkington for Rs.1,735/- for the working expenses of the Malali Estate under Government manage-ment and recommending that, in addition to Rs.650 sanctioned for the purpose in Government Order No.Fl.763-4/B.7-08-2 dated the 13th August 1908, a sum of Rs.1,085/- may now be sanctioned for working expenses during the current official year. As the Estate should not be allowed to deteriorate and as the estimated crop of the season will more than cover the amount now required for working expenses, I would recom-mend that the required allotment may be sanctioned as a further advance.

I have the honor to be,

Sir,

Your most obedient servant,

[Letter No.42/Ag.B. dated 28th/30th November 1908, from the Deputy Commissioner, Hassan District, to the Revenue Commissioner in Mysore.]

With reference to your O.M.No.2,262 dated 14th August 1908 communicating Government sanction of Rs.650/- for the working expenses of the Malali Estate under Govern-ment management, I have the honor to enclose a copy of letter No.145 dated 29th October 1908 together with copy of its enclosure received from Mr.H.Pilkington, Inspector of coffee Estates.

2. For the reasons stated therein, I beg that you will be so good as to obtain early sanction of Govern-ment to the balance of the allotment amounting to Rs.1085/ for the working expenses of the Estate during the current official year as recommended by Mr.Pilkington.

3. It may be observed that the expenditure recom-mended by Mr.Pilkington will be within the expected sale proceeds of the coffee and cardamom crops, and it is likely that offers will shortly be received for purchase of this Estate, which if favourable will be sent up for orders of Government, and in the event of the sale of the Estate being effected, the balance of the year's allotment will not be expended.

From

Inspector of Coffee Estates.

To.

P.R.W.Wetherall, Esquire,

Deputy Commissioner,

Hassan District.

Sir,

I have the honor to acknowledge the receipt of your letter No.34/Ag.B.of 13/14th instant and noted the contents of the first 4 paras.

(2). In reply to paras 5 and 6 of same, I have the honor to inform you that I have met Mr.M.Venkataramiah, and discussed the work to be done, and the expenditure required with him and now forward herewith my estimate of the same together with a statement showing the amount that should be paid in each month.

(3). In reply to para 7, I beg to point out that the amount already sanctioned, Rs.650/- will be quite inadequate for the maintenance of the estates during the whole year, that unless more is provided the property will deteriorate and its saleable value be adversely affected.

My estimate of expenditure, of which Rs.435/- is required in November, amounts to Rs.1,735/-, and the value of the estimated Coffee and Cardamum crops at Rs.2,040/-. So this expenditure will be covered.

I personally think that a better result will be obtained if sale be postponed till March 1910, and arrangements made for carrying on the management and providing funds for working expenses till then, as there should be a good promise for the coming crop at that time, and a better price will be obtained. But if Government consider it inadvisable to continue supervision till then, or to permit the expenditure recommended by me, then I would advise an immediate sale of the property

after

after weeding and handling the coffee and picking the crop.

(4). You surmise in your letter, para 7, that the crop ~~xxxxxxxxx~~ will be picked by end of December, and only provide funds till then. It will certainly not be completed till the end of January at earliest, so provision must be made till then.

I have etc.,
